Here's how it works

Swipes

One swipe equals one meal. Swipes are primarily used at either Shafer or Jonah's. Can you say, all-you-care-to-eat?

Swipe Exchange

In the mood to eat at one of our other dining locations, like Panda Express or Chick-fil-A? 19 of our 23 locations offer swipe exchange, meaning you can exchange one swipe for a designated meal, like the Rooty Tooty Fresh and Fruity Combo at IHOP. Specific times apply; visit vcu.campusdish.com for details.

Dining Dollars

Think of Dining Dollars as a prepaid, reloadable debit card, accepted at all 23 VCUDine locations.
