

allergen information

while we prioritize accommodating dietary restrictions and allergies, shake smart is not an allergen free facility and can not guarantee any product is entirely allergen free. we appreciate your understanding.

peanut allergy?

ask a team member to use our peanut free blender

caution: we will be careful, but cross contamination is still a risk

GLUTEN CONSCIOUS & want an acai bowl?

pro tip: sub granola for any other topping for a gluten free treat!

NO SOY... no problem

our soy-lution: substitute whey protein for plant protein for a soy free protein option

lactose free

your tummy... & roommates will thank us

the inside scoop: all shakes can be made 99.9% lactose free by choosing almond or oat milk

calling all VEGANS

plant based promise: choose almond or oat milk + plant protein for a 100% plant based shake
