Let's Eat!

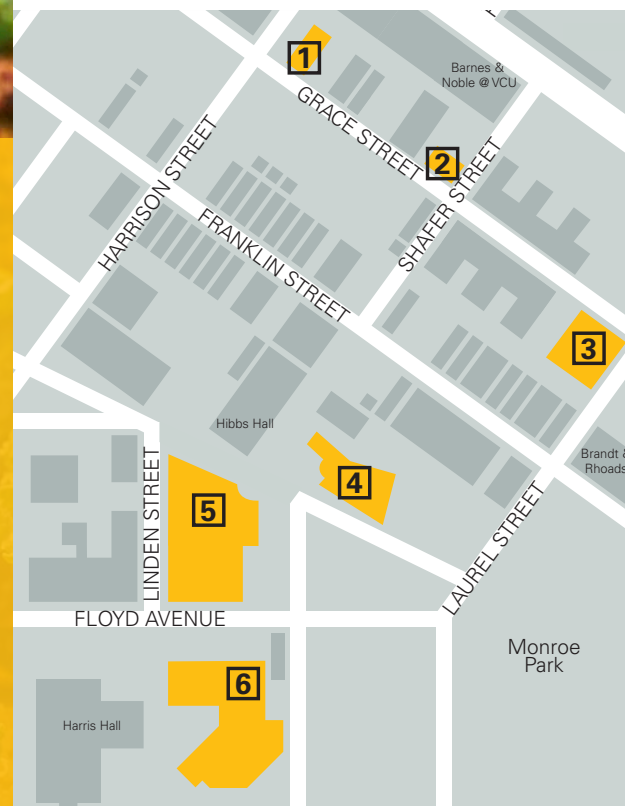

College students are faced with demanding schedules every day. Where and what to eat should be easy and delicious – and that's where we come in.

We're VCUDine, the award-winning dining program at Virginia Commonwealth University. It's our mission to provide fresh, quality food convenient to everyone on campus. That's why our 20+ dining locations are spread across every corner of VCU's two campuses, offering students everything from traditional dining halls to grab-and-go retail locations.

Join us throughout the year for special events and themed meals that showcase the culinary talents of our dedicated team, such as Food Truck Fest and Midnight Breakfast.

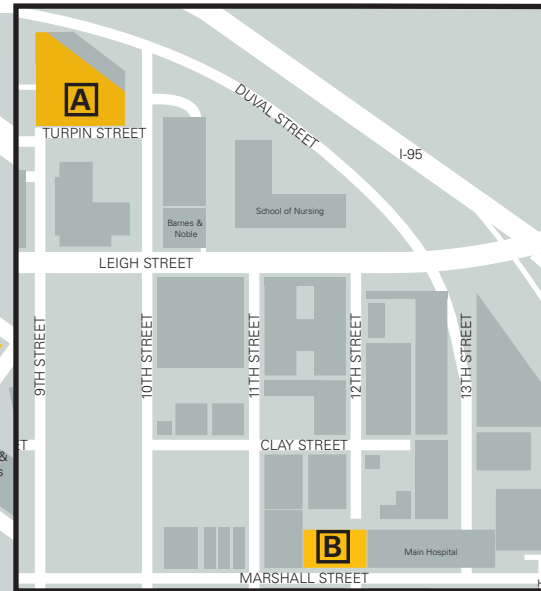

Please reach out via the contact information below with any questions or concerns.
